A resolution to: Allocate from Surplus Funds $2,700 to fund the remaining 5 “presenting” and 8 “attending” applicants for the fall Travel Grant Drawing.

WHEREAS, GSC is discussing the future possibility of funding a greater number of travel grants; and

WHEREAS, no less than 7 individuals in this drawing are reapplying from the summer term and such an expenditure would not be common, once a sustainable plan to fund a larger number of students were in place; and

WHEREAS, a core objective of the GSC is to “foster the personal, professional, and intellectual growth of graduate students on campus” and the more students funded for travel grants, the better fulfilled is this objective; and

WHEREAS elimination of a draft shall engender good will among graduate students, especially those who have applied unsuccessfully multiple times; therefore

BE IT RESOLVED that the Graduate Student Council hereby agrees to allocate $2,700 to the remaining 5 presenting and 8 attending applicants.
