PROPOSED AMENDMENTS TO THE GSC CONSTITUTION  
OCTOBER 12, 2009

MOTION: Be it resolved that the Constitution of the Graduate Student Council of Michigan Technological University be amended to read as shown below.

EXPLANATION AND JUSTIFICATION FOR CHANGES
All changes are indicated in boldface, with simple bold indicating additions, and strike-through indicating deletions. The changes are intended to:

• Resolve the vagueness of terms used to name/define council members in preparation for work on clarifying and simplifying the bylaws.

• Clearly define the terms “simple majority vote in the affirmative” and “two-thirds vote in the affirmative” to avoid the confusion regarding this exemplified in the last elections.

• Make other minor clarifications and eliminate all redundancy.

• Change the name of “Graduate Student Council” to “Graduate Student Government.”

• Add the following language, charging GSC to “foster relationships with graduate and professional student organizations at other universities by sharing information and resources which can help enrich graduate students’ personal, professional, and intellectual development.”

• Add the newly required language, charging GSC to embrace a policy of non-discrimination: “The GSC GSG affirms the Michigan Technological University Board of Control Equal Opportunity Policy (effective December 9, 2005) and shall not discriminate on the basis of race, religion, color, nationality, age, sex/gender, sexual orientation, height, weight, marital status, disability, or status as a veteran.”

• Clarify and concretize various dates, time-periods and procedures, such as the process of drafting and amending the budget.

• Add a non-voting member category of “member-at-large” to encourage more voices and participation on GSC.
